MEMORANDUM FOR: Secretary,
USIB Committee on Exchanges

SUBJECT: The Proposed Cartographic Exchange

1. I am forwarding to you a list of people who have worked with us in considering some of our map procurement problems. We believe that these same people will be appropriate ones to consider the proposed cartographic exchange, which you left for my action during the past week.

2. If there should be others whom you or your committee would like to have work on this problem, we would be most happy to include them in the group. As soon as I hear from you concerning the acceptability of the attached list of individuals and any additions you may have, I shall convene the committee to consider the proposed exchange.
